**DECLARATION OF COVENANTS, RESTRICTIONS  
AND BY-LAWS TO GOVERN  
REED'S LANDING COMMUNITY ASSOCIATION, INC.**

**ARTICLE I  
DEFINITIONS**

The following words and terms when used in this Declaration of Covenants, Restrictions and By-Laws to Govern Reed's Landing Community Association, Inc. (hereinafter the "Declaration") or any supplemental declaration (unless the context shall clearly indicate otherwise) shall have the following meanings:

- (a) "Association" shall mean Reed's Landing Community Association, Inc., a Virginia nonstock corporation, its successors and assigns; provided, however, the Association shall still have all rights and obligations as set forth in this Declaration even if its corporate status lapses or terminates.
- (b) "Board of Directors" or "Board" shall mean the Board of Directors of the Association.
- (c) "Common Properties" shall mean those tracts of land with any improvements thereon which are deeded to the Association and designated in said deed as "Common Properties". The term "Common Properties" shall also include any personal property acquired by the Association if said property is designated a "Common Property" by the Board of Directors. All Common Properties are to be devoted to and intended for the common use and enjoyment of the Members and their guests, and visiting members of the general public (to the extent permitted by the Board of Directors) subject to the fee schedules and operating rules adopted by the Association.
- (d) "Family Dwelling Unit" shall mean any single family dwelling on a Residential Lot in Reed's Landing.

- (e) "Master Development Plan" shall mean the drawing which represents the conceptual plan for the development of Reed's Landing. Said plan is on file in the Chesterfield County Department of Community Development.
- (f) "Member" shall mean all Owners of Residential Lots and Tenants of Family Dwelling Units in Reed's Landing.
- (g) "Owner" shall mean the Owner as shown by the real estate records in the Clerk's Office of the Circuit Court of Chesterfield County, Virginia, whether it be one (1) or more persons, firms, associations, corporations, or other legal entities, of fee simple title to any Residential Lot situated in Reed's Landing but, notwithstanding any applicable theory of a deed of trust, shall not mean or refer to the mortgagee or holder of a deed of trust, its successors or assigns, unless and until such mortgagee or holder of a deed of trust has acquired title pursuant to foreclosure or a proceeding or deed in lieu of foreclosure; nor shall the term "Owner" mean or refer to any lessee or tenant of an Owner. In the event that there is recorded in the Office of the Clerk of the Circuit Court of Chesterfield County, Virginia, a long-term contract of sale covering any Residential Lot or parcel of land within Reed's Landing, the purchaser of such Residential Lot or parcel of land shall be deemed the Owner for purposes of this Declaration, and the seller shall not be deemed the Owner even though he holds fee simple title. A long-term contract of sale shall be one where the purchaser is required to make payments for the property for a period extending beyond nine (9) months from the date of the contract, and where the purchaser does not receive title to the property until such payments are made, although the purchaser is given the use of said property.
- (h) "Reed's Landing" shall mean those lands lying in Chesterfield County, Virginia, known as Reed's Landing Subdivision which are shown as a part of the Master Development Plan, as revised from time to time, which plan has been filed with and approved by the Chesterfield County Planning Commission and is in the office of the Chesterfield Community Development Department.

**ARTICLE II  
PROPERTY SUBJECT TO DECLARATION**

The real property subject to this Declaration is described as follows:

All those tracts or parcels of land being in Chesterfield County, Virginia, which are more particularly described in Exhibit A attached hereto and by specific reference made a part hereof.

The Association shall have the right to bring additional contiguous property within the plan and operation of this Declaration. The additions shall be made by filing a Supplemental Declaration of Covenants and Restrictions with respect to the additional property which shall extend the operation and effect of the Declaration to such additional property.

**ARTICLE III  
MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION;  
GOVERNANCE BY BOARD OF DIRECTORS**

**Section 1. Membership**

Every Owner and Tenant shall be a Member of the Association. The Association may issue to each Member a membership card which shall expire upon termination of a Tenant's Lease or upon sale by an Owner of his property in Reed's Landing.

**Section 2. Classes of Membership; Voting Rights**

There shall be two classes of Members: voting Members and non-voting Members. Owners shall be voting Members of the Association. Tenants shall be non-voting Members of the Association. The number of votes an Owner is entitled to cast shall be controlled by the number of Residential Lots owned by such Owner in Reed's Landing. Ownership of a Residential Lot entitles the Owner or Owners of such lot to an aggregate total between them of two (2) votes. By way of example only, if a Residential Lot is jointly owned by husband and wife, then each of them shall be entitled to one (1) vote. The record date for determining Owners entitled to vote at any regular or special meeting of the Association shall be the close of business on the day before the date written notice of such meeting is given by the Board to the Members.

The act of voting shall have the following effect:

- (a) If a Residential Lot is owned by two (2) or more persons or entities and only one (1) votes, in person or by proxy, then the act of the Owner so voting shall bind all other Owners; and
- (b) If a Residential Lot is owned by more than two (2) persons or entities and more than one (1) vote, in person or by proxy, then the act of the majority so voting shall bind all

other Owners. If there is an even split among the Owners voting, then each such group of Owners shall be entitled to one (1) vote.

- (c) The principles of this paragraph shall apply, insofar as possible, to execution of proxies, waivers, consents or objections and for the purpose of ascertaining the presence of a quorum.

### **Section 3. Governance**

The Association shall be governed by a Board of Directors consisting of either five (5) or seven (7) Owners. All directors must be Owners, and no more than one (1) Owner from the same Residential Lot may serve on the Board at the same time. Initially there shall be seven (7) directors. The number of directors may be changed as permitted by this Section 3 by majority vote of the Owners at an annual meeting or at a special meeting called for this purpose. Any vacancies created by a change in the number of directors shall be filled by vote of the Owners. No reduction in the number of directors shall remove a duly elected director from the Board until the end of his or her term.

### **Section 4. Election and Terms of the Board of Directors; Nominating Committee**

- (a) Members of the Board of Directors shall be elected at the annual meeting of the Association. Each Owner shall be entitled to as many votes as equals the number of votes he is entitled to, based on his ownership of a Residential Lot as computed by the formula set forth in Section 2 above, multiplied by the number of directors to be elected. Directors shall be elected by a plurality of the votes cast.
- (b) Directors shall be elected for three-year terms; provided, however, if the number of directors is changed from 7 to 5 or vice versa, the initial term for the directors elected in the year such change is made may be modified so as to maintain the staggered term construct so long as the manner in which the term length will be determined for those directors who are elected at such annual meeting is announced prior to the vote on the election of directors. Upon the death or resignation of a director, a successor shall be elected by the remaining directors and shall serve until the next annual meeting of the Association where a new director shall be elected to serve the remaining term, if any, of the director who left the Board. The Board on its own motion may remove a director if the director fails to attend more than three consecutive meetings or is more than ninety (90) days delinquent in the payment of assessments. Directors may be removed with or without cause by a majority vote of the Owners at a special meeting of the members called for such purpose. Upon the removal of a director by the Owners, a successor shall be elected by the Owners.

### **Section 5. Owners to Have Power to Call Special Meeting**

The Owners shall have the power at a special meeting of the Association to approve or reject certain actions taken, or proposed to be taken, by the Board of Directors, including the levy by the Board of Directors of any special assessment and the addition or deletion of functions or services which the Association is authorized to perform. Unless otherwise specifically provided

for herein, Owners may require the Board of Directors to convene a special meeting of the Association on such actions of the Board of Directors by presenting to the President or Secretary of the Association within thirty (30) days of the taking of such action, or ratification by the Board of its intent to take such action, a petition signed by not less than twenty (20%) percent of the Owners. The record date for determining Owners entitled to demand a special meeting is the date the first Owner signs the petition. The Board of Directors shall promptly notify the Members that a special meeting has been called, giving such Members notice in accordance with Article VIII, Section 3. Provided a quorum is present, any Owner may make a motion at such special meeting to rescind, amend, modify or prohibit any such action taken, or to be taken, by the Board of Directors. Except as is otherwise provided in this Declaration, a vote of sixty-six (66%) percent or more of the votes cast, in person or by proxy, at such special meeting, shall pass such motion.

#### **Section 6. Quorum Required for an Action Authorized at Regular or Special Meetings of the Association**

The quorum required for any action which is subject to a vote of the Owners at a regular or special meeting of the Association shall be as follows: The presence at a meeting of Owners entitled to cast, or of proxies entitled to cast, twenty (20%) percent of the votes of the membership shall constitute a quorum. This provision shall not apply if a higher quorum is required for any particular action by this Declaration or the Declaration of Rights, Restrictions, Affirmative Obligations and Conditions Applicable to all Property in Reed's Landing recorded in the Clerk's Office on November 23, 1981 in Deed Book 1569, Page 1555 (as restated, amended and supplemented, the "General Covenants"), and the quorum requirement established by such particular provision shall govern in that instance.

#### **Section 7. Proxies**

All Owners may vote and transact business at any meeting of the Association by proxy authorized in writing; provided, however, that proxies shall not be effective unless they are delivered to the President or Secretary of the Association, or their designee (s), prior to the vote being taken on any proposed action.

#### **Section 8. Annual and Special Meetings**

The annual meeting of the Association shall be held during the month of October each year beginning with October 2022 (so in 2022 a meeting of the members shall not be required in March unless a special meeting is called and the annual meeting for 2022 shall be held in October) . The Board of Directors may call a special meeting of the Association if it deems it appropriate to do so. The Board of Directors shall give notice of all such meetings to the Members in accordance with Article VIII, Section 3.

#### **Section 9. Officers and Their Duties**

The Association shall have a President, a Vice President, a Secretary, and a Treasurer. All officers shall be directors. The Board of Directors shall meet and elect these officers by majority vote at the conclusion of the annual meeting. The Board may remove an officer for any reason, with or without cause; provided, however, he or she shall remain a director unless

removed by vote of the Owners as provided in Section 4(b) above.. The duties of the officers are as follows:

- (a) The President shall preside at all meetings of the Board of Directors; shall see that orders and resolutions of the Board are carried out; and shall sign all contracts, leases, mortgages, deeds and other written instruments and promissory notes. In addition, the President shall exercise and discharge such other duties as may be required by the Board.
- (b) The Vice President shall act in the place and stead of the President in the event of the President's absence, or inability or refusal to act, and shall exercise and discharge such other duties as may be required by the Board.
- (c) The Secretary shall record the votes and keep the minutes of all meetings and proceedings of the Board and of the Members; serve notice of meetings of the Board and of the Members; keep appropriate current records showing the Members of the Association together with their addresses; and shall perform such other duties as may be required by the Board. The Secretary shall ensure that a copy of all minutes of all Board meetings is delivered to the registered agent of the corporation or, if a Management Company is employed pursuant to Article VI, Section 6, to the Management Company, prior to the annual meeting of the Association for inclusion in the Association's records. If a Management Company is employed by the Association as set forth in Article VI, Section 6, the Board may delegate certain duties of the Secretary to the Management Company.
- (d) The Treasurer shall receive and deposit in appropriate accounts all monies of the Association and shall disburse such funds as directed by the Board; keep proper books of account; cause an annual audit of the Association books to be made by a certified public accountant at the completion of each fiscal year; and shall prepare (i) an annual budget, (ii) a fiscal year-end statement of assets and liabilities, and (iii) a fiscal year-end statement of revenues and expenses. The budget and the statements, once approved by the Board, shall be distributed by the Treasurer to the Members at the annual meeting. The Treasurer shall report to the Board the name of any Owner who has failed to pay an assessment or charge within ninety (90) days of the date such assessment or charge is due. If a Management Company is employed by the Association as set forth in Article VI, Section 6, the Board may delegate certain duties of the Treasurer to the Management Company.

#### **Section 10. Standing Committees**

There shall be an Architectural Review Committee which shall be a Standing Committee of the Board. In addition, the Board may appoint other Standing Committees, which may include Finance, Grounds and Maintenance, Landscape, or others as may be established by the Board). Each committee shall be headed by a director, unless the Board directs otherwise, and shall

perform such functions as directed by the Board. Committee members shall be appointed by the Board and shall serve at the will of the Board.

### **Section 11. Meetings of the Board of Directors**

Meetings of the Board of Directors shall generally be held monthly and be open to all Members; provided, however, the President may elect not to hold a meeting in any given month due to weather, a state of emergency (local, state, or federal), lack of business to attend to, or for similar reasons so long as at least ten (10) meetings are held each calendar year. Meetings may be held in person or, to the extent permitted by applicable law, virtually. A quorum shall consist of a majority of the directors, and a quorum must be present at a Board of Director's meeting for the Board to conduct business. The Board of Directors may convene in closed session only to consider personnel matters; consult with legal counsel; discuss and consider contracts, potential or pending litigation and matters involving violations of the Declaration or rules and regulations adopted pursuant thereto for which a Member, his family members, tenants, guests or other invitees are responsible; or discuss and consider the personal liability of Members to the Association upon the affirmative vote in open meeting to assemble in closed session. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the closed session shall be included in the minutes. The Board of Directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No contract, motion or other action adopted, passed or agreed to in closed session shall become effective unless the Board of Directors, following the closed session, reconvenes in open meeting and takes a vote on such contract, motion or other action which shall have its substance reasonably identified in the open meeting.

### **Section 12. Indemnification of Officers and Directors**

- (a) Third party actions. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, including all appeals (other than an action, suit or proceeding by or in the right of the Association) by reason of the fact that he is or was a director or officer of the Association, or is or was serving at the request of the Association as a director or officer of another association, partnership, joint venture or other enterprise, against expenses (including attorneys' fees) , judgments, decrees, fines, penalties, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

- (b) Derivative actions. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit, including all appeals, by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a director or officer of the Association, or is or was serving at the request of the Association as a director or officer of another association, partnership, joint venture, or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been finally adjudged to be liable for gross negligence or willful misconduct in the performance of his duty to the Association unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as such court shall deem proper.
- (c) Rights after successful defense. To the extent that a director or officer has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsection (a) or (b) above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.
- (d) Other determination of rights. Except in a situation governed by subsection (c) above, any indemnification under subsection (a) or (b) above, (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director or officer is permissible in the circumstances because he has met the applicable standard of conduct set forth in subsection (a) or (b) above. Such determination shall be made (i) by a majority vote of directors acting at a meeting at which a quorum consisting of directors who are not or were not parties to such action, suit or proceeding is present, (ii) if such a quorum is not obtainable (or even if obtainable), and a majority of disinterested directors so directs, by either a committee of two or more directors who are not or were not parties to such suit, action, or proceeding, which committee shall be designated by the majority vote of directors (including directors who are or were parties to such suit, action or proceeding), (iii) by special legal counsel (compensated by the Association) in a written opinion, or (iv) by the affirmative vote in person or by proxy of fifty-one (51%) percent of the Owners, but directors who are or were parties to such action, suit or proceeding may not vote on the determination.
- (e) Advances of expenses. Expenses of each person indemnified hereunder incurred in defending a civil, criminal, administrative, or investigative action, suit, or proceeding (including all appeals), or threat thereof, may be paid by the Association in advance of

the final disposition of such action, suit, or proceeding as authorized by the Board of Directors, whether a disinterested quorum exists or not, upon receipt of an undertaking by or on behalf of the director or officer to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association.

- (f) Nonexclusiveness; heirs. The indemnification provided by this section shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled as a matter of law or under any insurance purchased by the Association, or otherwise, both as to an action in his official capacity and as to an action in another capacity while holding such office, and it shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors, and administrators of such a person.
- (g) Purchase of insurance. The Association may purchase and maintain insurance on behalf of any person who is or was a director or officer of the Association, or is or was serving at the request of the Association as a director or officer of another association, partnership, joint venture, or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this section or of the Code of Virginia.
- (h) Permissible indemnity of employees and agents. The Association may, by majority vote of a quorum of disinterested directors, indemnify and advance expenses under this section to an employee or agent of the Association to the same extent as to a director or officer. This provision shall not be interpreted to impose any obligation on the Association to indemnify its employees or agents.

## **ARTICLE IV PROPERTY RIGHTS IN THE COMMON PROPERTIES**

### **Section 1. Members' Easements of Enjoyment in Common Properties**

- (a) Subject to the provisions of this Declaration, the rules and regulations of the Association, and any fees or charges established by the Association, every Member, and every guest of such Member, shall have a right of easement of enjoyment in and to the Common Properties and such easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall pass with the title of every Residential Lot or any Unsubdivided Land. A Member's spouse and children who reside with such Member in Reed's Landing shall have the same easement of enjoyment hereunder as a Member.
- (b) In those instances where a Residential Lot or Family Dwelling Unit or other property in Reed's Landing is occupied pursuant to a lease by two (2) or more persons (who do not

have the relationship of spouse, parent, or child, one to the other) or by a corporation, such joint Tenants shall annually appoint no more than three (3) persons as the "Primary Members." Such Primary Members shall have the same easement of enjoyment in the Common Properties as Owners who own or occupy such property singularly, but the remaining Tenants shall not.

### **Section 2. Title to Common Properties**

The Association owns and maintains and, subject to the powers of the Board of Directors and Members otherwise enumerated in this Declaration, shall continue to own and maintain the Common Properties.

### **Section 3. Extent of Members' Easements**

The rights and easements of enjoyment created hereby shall be subject to the following:

- (a) The right of the Association to borrow money for the purpose of improving and/or maintaining the Common Properties, and providing services authorized herein and, in aid thereof, to mortgage said properties; provided, however, that any mortgage of all or any portion of the Common Properties shall be authorized by the affirmative vote of sixty-six (66%) percent of the votes cast by the Owners at a duly called meeting of the Association, subject to the quorum requirements established by Article III, Section 6.
- (b) The right of the Association to take such steps as are reasonably necessary to protect the Common Properties against foreclosures.
- (c) The right of the Association to suspend the rights and easements of enjoyment of (i) any Owner or guest or Tenant of any Owner, for any period during which the payment of any assessment against property owned by such Owner remains delinquent, it being understood that any suspension for nonpayment of any assessment shall not constitute a waiver or discharge of the Owner's obligation to pay the assessment, and (ii) any Member, or guest of any Member, for any period not to exceed sixty (60) days, for any infraction of the Association's adopted policies, rules and regulations; provided, however, that the Association shall not suspend the right of any Member to use any roads belonging to the Association, subject to the policies, rules, regulations or fees, if any, established by the Association for such use.
- (d) The right of the Association to charge reasonable admission and other fees for use of the Common Properties and any facilities included therein, including an assessment for the use of any roads belonging to the Association; provided, however that such rights of the Association shall not be construed to impair or qualify a Member's right of ingress and egress to his property.
- (e) The right of the Association to place any reasonable restrictions upon the use of the Association's roads, subject to a Member's right of ingress and egress, including, but not limited to, the types and sizes of vehicles permitted to use said roads, the

maximum and minimum speeds of vehicles using said road, all other necessary traffic and parking regulations, and the maximum noise levels of vehicles using said roads. The fact that such restrictions on the use of the roads shall be more restrictive than the laws of any state or local government having jurisdiction over Reed's Landing shall not make such restrictions unreasonable.

- (f) The right of the Association to dedicate or transfer to any public or private utility, utility or drainage easements on any part of the Common Properties.
- (g) The right of the Association to give or sell all or any part of the Common Properties to any public agency, authority, public service district, utility or private person or concern for such purposes and subject to such conditions as may be agreed to by the Owners, provided that no such gift or sale or determination as to the purposes or as to the conditions thereof shall be effective unless such dedication, transfers and determinations as to purposes and conditions shall be authorized by the affirmative vote of sixty-six (66%) percent of the votes cast by the Owners at a duly called meeting of the Association, subject to the quorum requirements established by Article III, Section 6. A true copy of a certificate of the results of the vote taken thereon shall be made and acknowledged by the President or Secretary of the Association and such certificate shall be annexed to any instrument of dedication or transfer affecting the Common Properties prior to the recording thereof. Such certificates shall be conclusive evidence of authorization by the Owners. Upon the effective date of transfer of title, the property given or sold shall no longer be deemed Common Properties.

## **ARTICLE V COVENANTS FOR ASSESSMENTS; FINANCIAL AFFAIRS OF THE ASSOCIATION**

### **Section 1. Obligation to Pay Assessments**

Each Owner of any Residential Lot or Unsubdivided Land, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to all the terms and provisions of this Declaration and to pay to the Association: (a) annual assessments which shall take into account and consider the Road Fund contribution as hereinafter established and (b) special assessments for the purposes set forth in this Article, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments together with such interest thereon and costs of collection therefor as hereinafter provided, shall be a charge and continuing lien on the real property and improvements thereon against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such real property at the time when the assessment first became due and payable. In the case of co-ownership of a Residential Lot or Unsubdivided Land, all of such co-owners shall be jointly and severally liable for the entire amount of the assessment. The Association shall perfect and

enforce the lien provided by this section in the manner provided by the Virginia Property Owners' Association Act, Va. Code § 55.1-1800 (formerly 55-508), et seq., as amended.

**Section 2. Purpose of Annual Assessment**

The annual assessment levied by the Association shall be used exclusively for the improvement, maintenance, enhancement, enlargement and operation of the Common Properties including the streets, roads, lanes and/or avenues; to provide services which the Association is authorized to provide; and for the operation of the Association.

**Section 3. Annual Assessment; Establishing the Annual Assessment; Road Fund**

- (a) As of September 2021, the annual assessment, which includes the required Road Fund contribution, shall be as follows:

<u>Property Type</u>	<u>Maximum Annual Assessment</u>
Residential Lots with Family Dwelling Unit	\$2,140.00
Residential Lots without Family Dwelling Unit	\$1,070.00

The annual assessment may be decreased, kept at current levels, or increased by the by up to ten percent (10%) over the prior year’s annual assessment by the Board of Directors. Provided, however, the Board of Directors shall only decrease the annual assessment if it determines that the important and essential functions of the Association {including the required Road Fund contribution} may be properly funded by the decreased annual assessment amount. The annual assessment may be increased by more than ten percent (10%) over the prior year’s annual assessment by approval of at least fifty-one percent (51%) of the Owners who are voting, in person or by proxy, at a duly called meeting of the Owners at which a quorum is present. The notice for such meeting shall state the amount of the proposed increase and that voting on such increase is a purpose of the meeting.

- (b) For purposes of this section, a Family Dwelling Unit shall be deemed to exist on a Residential Lot at such time as a certificate of occupancy is issued for such structure.
- (c) The Association shall establish a Road Fund to cover the cost to construct, repair, rehabilitate, resurface and otherwise maintain the Association's roads; to provide for the maintenance and clean-up of said roads, including snow removal; and to provide and maintain drainage along said roads. The Owners shall contribute annually to the Road Fund not less than \$20,000. The amount to be contributed shall be deducted by the Association and deposited into the Road Fund from the total funds received by the Association from the annual assessment. The Board shall cause this amount to be deposited to the Road Fund no later than December 31 of each year. Subject to the

rights of the Owners set forth in Article III, Section 5, the Board of Directors may increase the required annual contribution to the Road Fund upon a finding that \$20,000 per year is inadequate to accomplish the ends for which the Road Fund was established. The Board of Directors shall notify the Owners within ten (10) days of the date it votes to increase the required annual contribution to the Road Fund. Any amount remaining in the Road Fund at the end of any fiscal year shall remain in the Road Fund from year to year. If the Road Fund reaches an amount equal to \$500,000, the Board of Directors shall then be authorized, if it deems it in the best interest of the Association, to reduce for anyone (1) year the required annual contribution to the Road Fund. [NOTE: This provision cannot be changed without approval of the Chesterfield County Planning Commission. See Tentative Amendment 97TS0190 to 1981 Tentative Subdivision Approval (December 17, 1996)].

  - (2) For additions to the Common Properties;

- (b) The Board of Directors shall notify the Owners within ten {10} days of the date of the levy that a special assessment has been imposed. The notice shall explain the reasons why the special assessment was levied, and it shall inform the Owners of their right under the Virginia Property Owners' Association Act, Va. Code § 55.1-1800 (formerly 55-508), et seq., as amended, to seek to rescind or reduce the special assessment. Within ten (10) days of the date of such notice, any Owner may deliver a written petition to the President or Secretary of the Association containing the signatures of not less than twenty (20%) percent of the Owners asking that a special meeting of the Association be convened to consider rescinding or reducing the special assessment. The Board of Directors shall promptly notify the Members of a special meeting for this purpose in accordance with Article VIII, Section 3, and the meeting shall take place no later than sixty (60) days of the date of the notice of the special assessment. Provided a quorum is present, any Owner may make a motion at such special meeting to rescind or reduce the special assessment. Fifty-one (51%) percent of votes cast, in person or by proxy, at such special meeting, shall pass such motion.
- (c) This section shall be interpreted to mean that the Association may make in any one (1) year an annual assessment up to the maximum set forth in Section 3 of this Article V, plus an additional special assessment. Such special assessment in any one (1) year may not exceed a sum equal to the amount of the annual assessment for such year except for emergency or repairs required as a result of storm, fire, natural disaster, or other casualty loss.
- (d) Special assessments shall be assessed against Residential Lots with Family Dwelling Units and Residential Lots without Family Dwelling Units in the same proportion as Annual Assessments are assessed against such lots and land for the fiscal year during which each such special assessment is made.

#### **Section 5. Reserve Funds**

Such certificate shall be conclusive evidence against all but the Owner of payment of any assessment therein stated to have been paid. If the Board of Directors authorizes a billing agent to collect assessments, the certificate of the billing agent shall be conclusive evidence against all but the Owner of payment of any assessment therein stated to have been paid.

**Section 7. Effect of Non-Payment of Assessment: Personal Obligation of the Owner; the Lien; Remedies of Association**

The Association shall perfect and enforce the lien in the manner provided by, and give all notices required by, the Virginia Property Owners' Association Act, Va. Code § 55.1-1800 (formerly 55-508), et seq., as amended. - (b) liens and encumbrances recorded prior to the recordation of the initial recording of the Declaration, and
- (c) sums unpaid on and owing under any mortgage or deed of trust recorded prior to the perfection of said lien. - (a) Each Residential Lot or parcel of land located within Reed's Landing shall be subject to an annual assessment which shall be paid by the Owner of each such Residential Lot or parcel to the Trustee. The amount of such annual assessment and its due date shall be determined solely by the Trustee, but the amount of such annual assessment on any particular Residential Lot or parcel shall not exceed the amount actually assessed against that Residential Lot or parcel in the last year that assessments were levied by the Association, subject to the adjustments set forth in subsection (b) below.
- (b) The maximum annual assessment which may be charged by the Trustee hereunder on any particular Residential Lot or parcel may be automatically increased each year by the Trustee by an amount of ten (10%) percent or the percentage increase between the first month and last month of the annual assessment period in the Consumer Price Index, u.s. The actual amount of such increase in the annual assessment on a Residential Lot or parcel shall equal the annual assessments on such Residential Lot or parcel for the previous year multiplied by the larger of the two (2) percentage factors set forth above. If the C.P.I. is discontinued, then there shall be used the most similar index published by the United States Government that may be procured indicating changes in the cost of living.

- (c) Any past due annual assessment together with interest thereon at the maximum annual rate allowed by law from the due date and all costs of collection including reasonable attorney's fees shall be a personal obligation of the Owner at the time the annual assessment became past due, and it shall also constitute and become a charge and continuing lien on the Residential Lot or parcel of land and all improvements thereon, against which the assessment has been made, in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns.
- (d) The Trustee shall be required to use the funds collected as annual assessments for the operation, maintenance, repair and upkeep of the Common Properties. The Trustee may charge as part of the cost of such functions the reasonable value of his services in carrying out the duties herein provided. The Trustee shall not have the obligation to provide for operation, maintenance, repair and upkeep of the Common Properties once the funds provided by the annual assessment have been exhausted.
- (e) The Trustee shall have the power to dispose of the Common Properties and other assets of the Association free and clear of the limitations imposed hereby; provided, however, that such dispositions shall first be approved in writing by fifty-one (51%) percent of the Owners or in the alternative shall be found to be in the best interest of the Owners by the Circuit Court of Chesterfield County, Virginia. The proceeds of such a sale shall first be used for the payment of any obligations incurred by the Trustee in the operation, maintenance repair and upkeep of the Common Properties, then shall be distributed among the Owners, exclusive of the Trustee, in a proportion equal to the portion that the annual assessment on property owned by a particular Owner bears to the total annual assessments for all property located within Reed's Landing.
